

# ROUND ROCK'S PREMIER SPORTS FACILITY

## **ROUND ROCK SPORTS CENTER**

Welcome to The Sports Capital of Texas! The City of Round Rock has long been regarded as the premier destination for amateur, youth, and recreational sports within the state... and for good reason! Bolstered by an economic base that includes the headquarters of Dell and Emerson, our dynamic city has invested heavily in the infrastructure needed to support a variety of sports, entertainment, and business events. Through the years, Round Rock has funded millions for its sports facilities, including the recent addition of the Round Rock Sports Center, which adds a world-class indoor showcase facility to the championship outdoor venues that originally earned Round Rock its Sports Capital of Texas reputation.

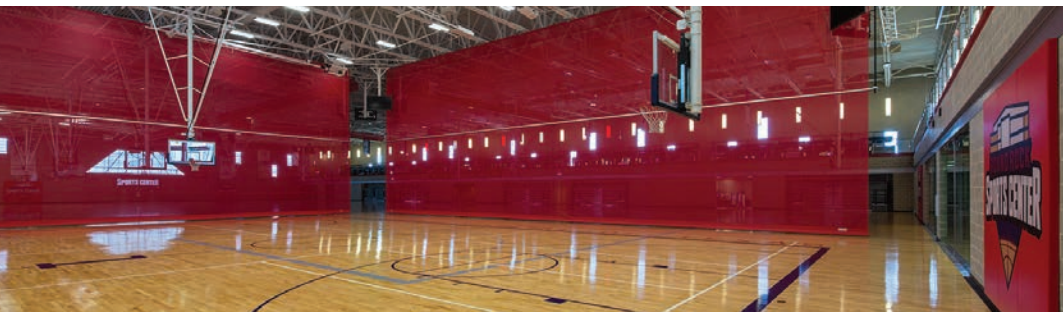

The Round Rock Sports Center opened in January 2014, and has already hosted numerous events including basketball, volleyball, and wrestling tournaments, a table tennis tournament, a speaking event by a renowned children's author that attracted more than 2,500 people, a 700-seat formal dinner banquet, a celebration dance with more than 2,000 participants, a cake expo, a wedding expo and even a corporate brainstorming retreat. To say that this new space is in high demand is an understatement!

The \$14.9 million dollar facility boasts 82,800 square feet of indoor space with 47,775 square feet of flexible, open, playable space. Several configurations are available, including 6 high school basketball courts, 12 high school volleyball courts, 3 NCAA basketball courts, or 4 badminton/pickleball courts.

## **SPORTS CENTER FEATURES:**

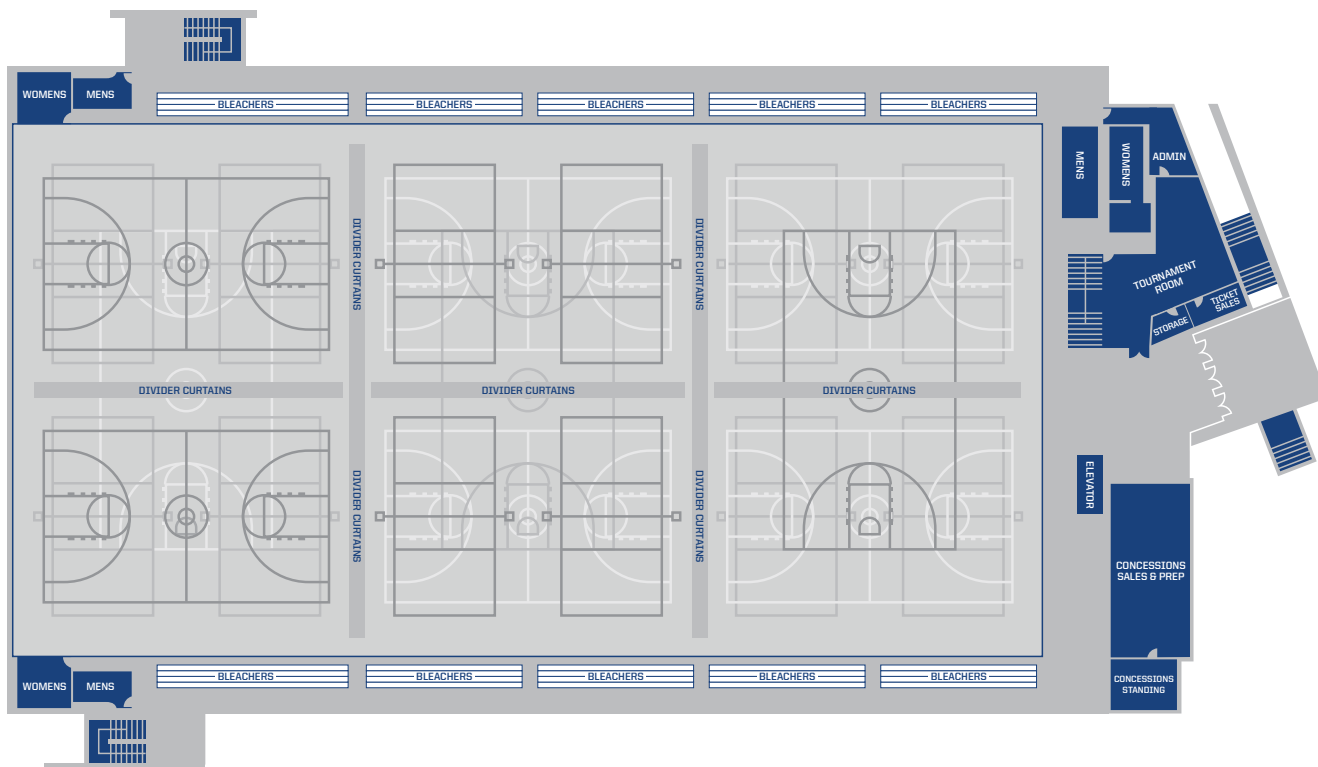

- Ceiling mounted basketball goals, volleyball standards and divider curtains by Porter Athletic
- Bio-Cushion Classic maple flooring system by Robbins Sports Surfaces
- HD video wall for displaying tournament brackets, promotional videos, or live sporting events
- Twelve 60" LCD scoreboard displays which are programmable by individual court or linkable by sport
- Upper-level VIP-style spectator seating with individual seats, arm rests, and cup holders
- Tournament Room, Players Lounge, Referee's Lounge and Athletic Training Room
- Restaurant-quality concession service and seating area
- Three large multi-purpose rooms that can be subdivided into nine smaller rooms
- Seating for over 1,400 spectators with a total capacity of 3,053 and over 500 parking spots

In addition to the many indoor features, the Round Rock Sports Center has a beautiful outdoor pavilion and plaza. The covered pavilion features a multi-sport turf surface, playground, concession area, and restroom facilities. The open-air plaza has a children's play area available for family, friends, and event participants. We also have a grassy tailgating area for more family fun.

### **CORPORATE SPONSORSHIP OPPORTUNITIES:**

The Round Rock Sports Center would love to partner with your organization! Sponsorship and naming opportunities are available to support youth sports and develop visibility for your company or organization.

The Round Rock Sports Center hosts over 70,000 players and 120,000 spectators annually for tournaments, leagues, and club sports.

Focused on local events during the week and national and regional sporting events during the weekend, the RRSC provides a premier player's environment with spectator comfort and family entertainment opportunities.

We offer a variety of court, banner and digital media sponsorships, along with opportunities for naming rights of the building, plaza, pavilion or individual rooms.

Sponsorship packages can be developed to provide your organization with the exposure you desire.

Contact the Sports Center @ 512-341-3125 or [sportscenter@roundrocktexas.gov](mailto:sportscenter@roundrocktexas.gov) to become a part of the ultimate destination for amateur sports in Texas!
